Cittaslow international network of cities where living is easy

The City of
KATOOMBA, Blue Mountains
is
cittaslow

from 2007

"...Cities given life by people with a respect for times past, rich in places to meet, in theatres, workshops, cafes, restaurants, spaces for imagination, with intact landscape and skill handycraftsmen, where people can still appreciate the slow wholesome passing of the seasons, with good eating and good health provided by natural foods, with respect for tradition..."
